9. The plan of giving "cash" to Supervisors & Testers is dead in principle.
(a) Cases are reported in printed forms.
(b) Returns are sent in printed forms.
(c) Diaries are sent in printed forms.
(d) Duplicates are kept of (a) to (c).
10. Correspondence and long reports should be interdicted. Orders are invariably recorded on the cases ~~recorded~~ reported on any of the papers (a) to (d), and in subsequent diaries attention may be called thereto by way of reminder.
11 A few sheets of Goa paper to make any special report of an urgent nature & which cannot be embodied in the printed diary should alone be sent in.

12. The Asst Supervisor should do duty in the Distt office with his Paster when at Hd Qrs and paper for any special reports or statements which the Deputy Comrs may need should be supplied from the English or Ver: office. The sum of Rs 240/- should be sent to Dy Comrs to meet such expenses & in case of Pastors posted to outlying Talukas, the Amildar should be given an allowance for this purpose by the Dy Comrs and the Paster made to do duty in the Amildar's Cutchery.

13. The complement of pens, pencils, ink &c given to other Clerks, as per Rule, should also be assigned to Excise officers.

14. More than one half of the Expenditure appears under "Miscellaneous" "~~Miscellaneous~~". It would be interesting to know for what purposes Sums of 40, 50 and more are utilized in a month.

15. I believe that 13 Carts of tents ever taken out to a Camp: The Excise Comm^r should scrutinize his Establishment more closely. Rs 180/- p.m. is saved now. No further Enhancement is necessary if the Comptroller does his duty and the Excise Comm^r confines his Expenditure to the Sums allowed to other Provincial Officers.

Call for particulars & to steps marked in red pencil in the statement with the weekly explanations.

OFFICE NOTE.

SUBJECT. Excise Commissioner asks to have his grant for contingencies raised from Rs 700 to 1500.

LAST REFERENCE. Letter No. 4135/391 dated 29 March 95.

from Excise Commissioner.

1 It is just as I expected. There has been heavy expenditure incurred for carriage.

2 I apprehend that in his dual capacity of Excise Commissioner and Inspector General of Forests, more tents than were absolutely necessary were taken out.

3 The scale is as per Article 538, two tents for each Department, one for the Officer and one for the officials with a Bechoba for orderlies if necessary. The Excise Commissioner

should be asked to report what ~~accepted~~ complement he took out in his dual capacity and the number of officials' orderlies taken out for each trip.

4. In any case, I do not think an Officer holding two Offices is by that accident justified in taking out more than the number of tents he needs for one Department plus the complement of tents needed for the Subordinate officials of the 2nd Department.

5. The plan adopted of granting "Cash" to Subordinate Officers in the Excise Department in any branch is wrong in principle. As far as I recollect, as Special Assistant Commissioner I purchased and sent out Stationary to the Staff and sent Vouchers for each item. Printed forms and Returns and Reports are issued. For actual correspondence in special cases or for a particular Special return, the Taluk and District Offices are quite able to give a few sheets

Sheets of paper not from Europe Stationery but from Stock "Country paper" purchased from "Sadilvar" to Excise Officers who are virtually now amalgamated with these offices.-

6. Mr. Davy has no separate Executive Staff, as the late Special Assistant Commissioner had.- Any charges necessarily incurred when out for circuit should therefore be embodied in the Bill of the Excise Commissioner's office and duly vouchered for. These will be nominal. The Special amount Rs 180, ~~Assignment~~ assigned to him ~~should be with-drawn~~ should be withdrawn.

7. The Excise Commissioner should scrutinize his contingent charges in detail, and keep down expenditure to the lowest possible limits.

8. The Aggregate expenditure for 1892-93 was Rs 692-12-1, and 1893-94 Rs 656-6-11, and these totals evidently include charges incurred by the late Special Asst. Commissioner (Vide Excise Commissioner's

Commissioner's Memo dated
30 March 1895 and some
exceptional expences which
will not reeur.

If the two Suggestions
above made are approved,
the present grant of Rs 700
will suffice.

MEMO OF INSTRUCTIONS FOR THE PREPARATION OF THE BUDGET ESTIMATES.

Particular attention should be paid to the rules laid down in chapter 10 of the Civil Account Code, volume I, article 155, and also to the following points :—

Estimated Revenue should be—

(1) For what is expected to be actually received during the year, including the arrears of past years.
(2) No net receipts to be entered, but the gross transactions in full.
(3) The estimate of receipts should not be merely an arithmetical average of three years' figure. The average is a guide, but it should not be taken absolutely.
(4) Every department should provide for the whole receipt with which it deals finally.
(5) As regards Land Revenue, Forests, Excise, Mohatarfa and Sayer receipts, the following details should be furnished in a separate statement to accompany the Budget Estimates :—

A—ACTUALS OF THE PREVIOUS YEAR.

(*a*) Arrears at the beginning of the year.
(*b*) Current year's demand.
(*c*) Total.
(*d*) Collections—
  (1) On account of the arrears of the past and previous years.
  (2) On account of the currrent year's demand.
(*e*) Total.

B—CURRENT YEAR'S ESTIMATE.

(*a*) Arrears at the beginning of the year.
(*b*) Current year's demand.
(*c*) Total demand.
(*d*) Collections—
  (1) Actuals during the first eight months.
  (2) Estimated collections during the subsequent months.
  (3) Total collections.
(*e*) Probable balance at the end of the current year.

C—ESTIMATE FOR THE ENSUING YEAR.

(*a*) Arrears at the beginning of the year.
(*b*) Demand proper of the year.
(*c*) Total demand.
(*d*) Estimated collections—
  (1) On account of arrears.
  (2) On account of the year's demand.
  (3) Total of (1) and (2).

Estimated Disbursements should be—

(1) For what is expected to be actually paid (under proper sanction) during the year, including the arrears of past years—not for the demand or the liabilities falling due within the year. In no case net charges to be entered, but the gross transactions in full.
(2) Full amount of the sanctioned scale should be shown.
(3) The columns of Number must be carefully filled in, and the rate of pay should be stated.
(4) The estimates for varying charges, such as contingencies, travelling allowance, and the like should be made by taking the average of three years' figures only as a guide, but not absolutely.
(5) No new charge to be entered that has not been sanctioned by competent authority. The number and date of order sanctioning fresh charges included in the estimates for the first time, must invariably be quoted. New or additional charges proposed which are not sanctioned by Government will be disallowed by this office.
(6) Every department will provide for the whole charge with which it deals finally.

NOTES.

1. Full explanation for the variation in the estimates with previous year's estimate should be given opposite such items.

2. The Districtwar details for the estimates of receipts and expenditure of the Forest, Excise, Registration, Judicial, Police, Muzrai and Medical Departments, which are reviewed and consolidated by their respective heads of departments or controlling officers, may be prepared as heretofore separately in manuscript and attached to the printed form wherein the totals are given.

3. No supplemental estimates will be attended to by this office if not received by the end of March.

E. R. SUBROYER,
Comptroller.

Lower has entered Rs 1511 as the actuals for 1893-94; while in the Provincial Budget noted by the Govt the sum of Rs 3824 has been shown as actuals. The discrepancy requires explanation. Taking either amount, it is evident that the sum of Rs 1200 temporarily sanctioned for 1893/94 has been exceeded. A report on this point should be called for. The actual expenditure during the 1894-95 has also to be ascertained. I am not in favour of keeping funds under orders before us by giving ourselves that the increase applied for is wholly unnecessary.

The Excise Comm^r asked to raise the contingencies from Rs 700 to Rs 1200 and this was done temporarily for the year 93/94. (8)

2. Then the grant was asked to be made permanent in Excise Comm^r's No: 2135/391 (12) 5/29/3/95, but the 3rd Councillor personally ordered the retention of Rs 700 in the Budget and the reference to be filed.

(12) As the Excise Comm^r's letter No: 2135/39 5/29/3/95 is continued in the unanswered reference list orders are solicited whether a definite reply should not be sent to the Excise Comm^r. (See office Note 5/26/4/95) as Rs 700 has been entered in the printed Budget while the original Budget & its references were sent to the Govt when the Provincial Budget was passed & turned up afterwards & sent to the Ex: 3rd by the Hon: Secy.

The Comptroller

~~S. R. F. 1894/95 Dy. 2 May 95~~
To ~~S. R. F.~~ Sir:

In returning the Budget
Estimates of the Excise Depts
for the year 1895-96, received
with his No 5005 Dy 8th March 95,
has the honor to observe
as follows:—

"Receipts"

(a) The major items of
"Receipts" appear to have
been fairly estimated.

(b) As regards the minor
items,

(1) Country Bars ~~This~~ Items
to be under estimated. This
item should be raised to
Rs 2000/- at least as the ~~actual~~
"Receipts" Revenue prior to the Compy
-orary Cessation of the
Brewery was Rs 2080/- & 3203
in 1890/91 & 91/92 respectively.

(2) License fees } It is impossible to calculate what these fees will amount to, as details for the several items as per margin are wanting. It would be advisable that these items be separately credited in the Treasury Accounts under each head of revenue so that the required data may be in future for the coming ~~year be created~~.

x { or Opium Shops / or Ganja Shops / or Foreign Liquor Shops / or ~~Ale~~ — Beer Taverns / ~~Ganja~~ — }

(3) Proportionate Cost of Arrack Estt debitable to C & Ex Station:-
This sum is under estimated. It should be raised from Rs 6500 to Rs 6,900/- for '95-96.

(4) Proportionate Cost of Toddy Estt debitable to C & Ex Station:-
A similar ruling as for Arrack it is opined should be inscribed for "Toddy" also. The "receipts" under this head may be put down at Rs 500/- yearly.

Disbursements

2. The major items are apparently correct.

As regards "Contingencies"

Govt are of opinion that Rs 700/- will suffice, as the Executive Staff are transferred to Dy Comrs of Dists who will serve any small items of "Stationery" the Staff may need, and Mr Davy having no Executive Staff, the small items of expenditure he may incur can be included in the Excise Comrs bill.

(2) Instruments & Furniture

As a large supply of Hydrometers &c have already been obtained, this item may be reduced to Rs 1000/-.

(3) Purchase of Opium:-

The Cost incurred on the purchase of "Opium" might with advantage be entered in the Budget.

(4) Carriage of liquor:-

This item needs Scrutiny and appears to be underestimated.

5) Refunds (Abkari):—

The outstandings of the last 3 years '91-92 & '93-94 over show Rs 72,000/- (vide Min: State No 6 (Abkari) for Jany 1895) A portion of this Amount will most likely have to be refunded. The Excise Comr 15 is requested to calculate and insert a proper sum therefor.

In 1893/94 while in the Provincial budget passed by Govt. the sum of Rs. 3824 has been shown as actuals. This discrepancy requires explanation. Taking either amount it is evident that the sum of Rs 1200/- temporarily sanctioned for 1893/94 has been exceeded. A report in this point is requested as well as details of the actual expenditure incurred in 1894/95.
